

A Word From Our Pastor

Good morning, and welcome to Ellendale Baptist Church! If you were out of town last weekend with the holiday, we are glad to have you back today. We had a great time after church across the street at Shepherds Field honoring those who have given their lives for our freedom, eating together and having fun together. I know my guys had a blast on the giant waterslide that our Children's Ministry rented for the event, so much so that if I hadn't talked them into leaving when we did, I think they'd still be out there!

Of course, we are now into that time of year when many families and individuals head out of town for vacation. I want to let you know that, even if you are away, you can now follow our services LIVE on Facebook. We've just started this endeavor, so there are still some kinks to work out, but our goal is to see improvement in what we put out there every week.

To catch the live event each Sunday morning, just go to our Facebook page shortly before service time and click on the "Ellendale Baptist Church is live" link. If you can't catch us during the service time, or if there's something that you'd like to experience again from the service, you can always go back and watch the video later.

For what it's worth, we are REALLY glad that you are here today. In summertime, when our schedules relax, it can be easy to let our church attendance relax as well. Let me encourage you not to do that. We need you here. We want you here. And we are confident that you will be blessed and encouraged by consistently being here with people who love you and want to help you grow in your relationship with God.

As always, it's a joy to be in this thing with you!

Congratulations, Bro. Josh

Following the Evening Worship Service tonight, we will have a churchwide fellowship in the Family Life Center in honor of Bro. Josh Escue's graduation from seminary. There will be a basket to receive gift cards for the Escues. Please bring finger food, sandwiches, etc. and drop off your contribution in the FLC before the service.
